In 2007 a study of churchgoers included the measurement of more than sixty factors characteristic of biblical spiritual development. The number one factor, or characteristic, most correlated to the highest maturity scores is the practice of "reading the Bible."

The simple discipline of reading the Bible has a major impact on Christians.  
- Brad Waggoner, "The Shape of Faith to Come"

At Woodlawn, all of our Lifeway Sunday School curriculum includes guidance for at least five days of Bible reading. Stop by the "Welcome Table" for more information about our classes.
