- December 15** Worship Choir Christmas Program
- December 22** Candlelight Service

MARK YOUR CALENDARS TODAY

"80% of all new church members began attending their church because of a friendship with a member of that congregation. Relationships are the leading factor in bringing people to a place where their lives can be touched by God's grace and changed forever. For this reason, small groups play a key roll in reaching spiritually unconvinced people with the gospel."

Reed Smith, Discipleship Pastor of Christ Fellowship, Ministry Grid

OCC Collection Sunday

Collection Day ♦ This Sunday
Bring your shoeboxes and place them in the WBC Trailer prior to each worship service.

Long-Range Planning Committee Request

Our Long-Range Planning Committee and Pastor Tim have been meeting since the Spring of this year. Our heart is to hear from the Lord regarding His future for our church family. Already our time together as a committee has been insightful for our committee members as we are working now to more clearly and accurately understand the health of various parts of our church ministry. As a part of this process, we have asked a number of key leaders to participate by completing a church health survey.

Now, the Long-Range Planning Committee is asking all church members to also complete the same survey. It is important to note that the survey is completely anonymous and is an important piece of the process for our next steps as a committee. You can complete the survey using the link that was emailed to you from the church office. You may also scan the QR Code below with your smartphone if that is easier for you. Finally, you can pick up a printed copy of the survey from Lisa Hefner in the church office. Please complete your survey no later than August 15, 2024. Printed copies must also be returned to Lisa Hefner by this date.

Thank you for your help and please continue to pray for our committee as we seek the Lord!
