A message From Pastor Matthew

Katie, Cooper, Connor, and I would like to express our deep thankfulness for the Woodlawn Baptist family! Our first impressions were formed as we met with the pastor and personnel team and we were struck by their thoughtful questions and the deep care they exhibited for not only their church but for us as well. From there our next point of contact was the Q&A afternoon. Each member we came in contact with greeted us with warmth and welcome! The delicious trays of food and the circle of members all combined, making us feel the kindness of WBC, a characteristic mentioned by everyone in my community who hears of my new role and offers congratulations. As you agreed to add me to your leadership team and then rallied around my family in greeting, we have felt overwhelming joy at how God has provided for us and what He has in store. We also want to thank Pastor Tim, Laura, and their family as they have been so intentional in seeking to help us transition and feel at home. Lastly, we so appreciate the beautiful flowers gifted to us Sunday. Continue to pray for our family as we endeavor to get to know each of you and find the ways God wants to use each of us within this body of believers.

Sincerely,
The Eades Family
