College Student Addresses

Our college students have all moved in and classes have resumed. We like to maintain contact and prayer support with our students in higher education.

We include that info in the Heartbeat each week throughout the year for folks to send cards and notes, pray for them, etc.

We would also like to invite them to join our College/ Career group. In this group they will engage in fellowship through different events and activities held for them throughout the school year.

Please email Charity Travis in the church office at ctravis@wbcnc.org with your student's current (or new) school address, email, contact number, and birthdate.
